

The First Leads Conference of Social Sciences 2018

March 18, 2018

Lahore Leads University

The First Leads Conference of Social Sciences 2018 will be held on March 2018 in University of Leads Lahore. The main theme of this conference is 'Right Education for Brighter Future'. The conference will cover diverse topics from the areas of Social Sciences. Internationally-recognized scholars will participate in the event to present their latest research and best practices.

We, the conference organizers invite you to participate in this event where you can:

- **Strengthen your professional ties:** The conference may provide the opportunities for developing social contacts with academia and job opportunities.
- **Receive feedback and constructive critique on your ideas:** The participants will benefit from constructive critique, scholarly suggestions, and innovative ideas of the galaxy of scholars and experts.
- **Opportunity to hone technicalities of research:** The participants will avail the opportunity to upgrade their knowledge about latest research ideas, techniques, methodologies, and analytical methods through the suggesting of research experts and leaders of the divers social fields.
- **Refine your communication skills:** The participant will avail the forum for the refinement of their communication skill by practically communicating with diverse academicians and learners and may transform their "isolated" research experience into a more collaborative and shared experience.
- **Participate in our conference and publish your research:** The prospective participants will avail the opportunity to get their research published directly through the conference proceedings and journals. Don't miss this great opportunity to get your work out there!

Call for Papers

The *First Leads Conference of Social Science 2018* will be the premier forum for the presentation of new advances and research results in the fields of theoretical, experimental and applied Social Sciences and Education. The conference will bring together leading researchers, academia, consultants, scholars, practitioners and research students from their respective domains of interest around the world. Our distinguished participants will have the opportunity to present their valuable research contributions and to establish an international network among those who volunteer to communicate and study together in the fields of knowledge mentioned above. The conference committee strongly encourages postgraduate research students to present their research proposals, literature reviews or findings at this event with a very special registration fees. Other interested parties and delegations from these fields are also free to attend this event.

All submissions will be peer reviewed and evaluated, based on originality, technical and/or research content/depth, accuracy, relevance to the conference and usability. Submissions will be chosen based on technical merit, interest, applicability, and how well they fit into a coherent and balanced academic program.

Topics of interest for submission include but are not limited to:

Social Sciences: Anthropology, Cultural and Ethnic Studies, Communication Studies, Gender studies, Linguistics, Political Science, Psychology, Sociology, Development

Studies, Population Studies, Journalism and Mass Communication, Peace and Conflict Studies, Religious Studies and Social Welfare Studies, Information & Library Science.
