# FOREWORD

The last quarter of 2022 was a period of hectic fruitful activity for the administration and faculty members of Lahore Leads University. As the end of Fall 2022 semester closed in, the final semester students started packing up their baggage for embarking on their voyage to professional careers ahead. A new batch of students, in quest of relevant skills and knowledge, entered the premises of Lahore Leads University with the cherished ambition of equipping themselves with the essentials of a successful professional life in the coming years. Farewell and welcome parties arranged by the different departments of study reflected the emotional fervor of the outgoing and incoming students. The holding of the 6th convocation of the University had honed the zeal and zest of passing out graduates for trying their talents in the domain of practical endeavors.

Lahore Leads University sought to build up cooperation with a number of universities abroad in quest of opening the avenues of students exchange for continuing studies in the United States of America and Malaysia. A landmark was achieved by the University with the finalization of accreditation with World Education Service (WES), an international body that provides credential evaluation for international students and immigrants planning to study/work in the United States and Canada. The Lahore Leads University profile was critically evaluated before the University was granted formal affiliation.

The last quarter of the year 2022 saw a surge of academic as well as sports activities on the part of students and faculty members. A number of workshops and seminars on topics of contemporary importance were conducted and papers were presented at various national and international conferences. The students were provided ample opportunities of displaying their physical fitness and dexterity in sports and they came out with impresses performances. The performance of Lahore Leads Footballers was peculiarly noteworthy as they won the zonal tournament and managed to reach the quarter final stage of HEC All Pakistan Intra-varsity Football Championship 2022, held in Multan.

Study visits to industrial units like Stylo Shoes Industry and Hunza Sugar Mills were arranged for the sake of acclimatizing the students with practical features of production of exportable goods with the intent of improving the economic health of the country. Sight=seeing pleasure trips to places of heritage importance and Hiran minar were also conducted during the period.
